IT'S ON! BIG SHOW TO AID SMOKE FUND

Loew's Record Bill Promises to Draw Record Crowd for Week.

D. S. C. Comes to Bat and Adds to Gift-Gen. Wood Backs 'Baccy Plan.

When the belated returns of all enterprises launched for THE SUN Tobacco Fund Saturday and yesterday are in the total will reach the \$50,000 with which we aimed to end the week. The sum tabulated last night was \$49,848.26 —just a shade shy of the amount. So therefore we may indulge ourselves in congratulations, first to the soldiers and then to those who contributed to that then to those who contributed to that magnificent showing. This represents a realization of less than two months of fort. It marks a record for newspaper

funds.

With that important milestone disappearing in the distance we will get into September's activities with a flying start. There is every reason to believe that the fund not only will maintain the successful pace that has marked its progress but will improve upon it. This means much to the men in the trenches.

We enter the week with another big feature—the benefit week at Marcus Loew's New York Theatre and Roof. When the doors of the theatre open at 11 o'clock to-day 10 cents out of every dollar will be turned into The Sun will be turned into Tite Sun Fund to buy smokes for the lads in khaki. The genius that has made Marcus Loew the leader in this field of popular entertainment has been manifested in entertainment has been manifested in the selection of a picture programme for the week. The first of the screen dramas will be "Mother o' Mine," one that deals with the purest of all emo-tions—mother love. It will be displayed both in the theatre and on the roof with Rupert Julian and Ruth Clifford as the Dolly Sisters to Appear.

Then, for the first time in the history

of the Loew theatres in this city or any other the two graces, Roszika and Yansci Dolly will appear on both stages. REAL HOPE OF PEACE

John J. Graham, formerly Surrogate of Nassau county, fell dead, a victim of heart disease, Saturday evening while addining with his wife in their home in Syosset, L. I. In July, 1915, Mr. Graham suffered a heart attack while watching the races at Belmont Park. At that time it was feared that he would not recover from the disease, but he rallied and seemed to regain his usual health. Mr. Graham was one of the best known lawyers on Long Island, and had been noted for his aid to horse racing. He took the case of Paul Shane, arrested for taking an oral bet, at the time when racing was at its worst terms with he lawmakers, and won the bookmaker's discharge after a memorable fight.
